

# Away Team Duties on Match Day

## Match Day Duty

The away team captain has one task on the match day. Update the team before the start of the game (can be done any time before the game).

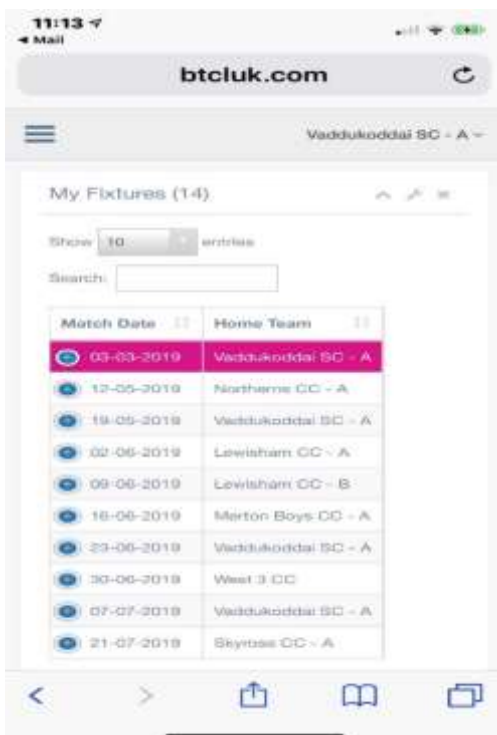

The above task can be done by following the steps below. Please ensure you have all the details before you start the steps

## Select the Playing XI

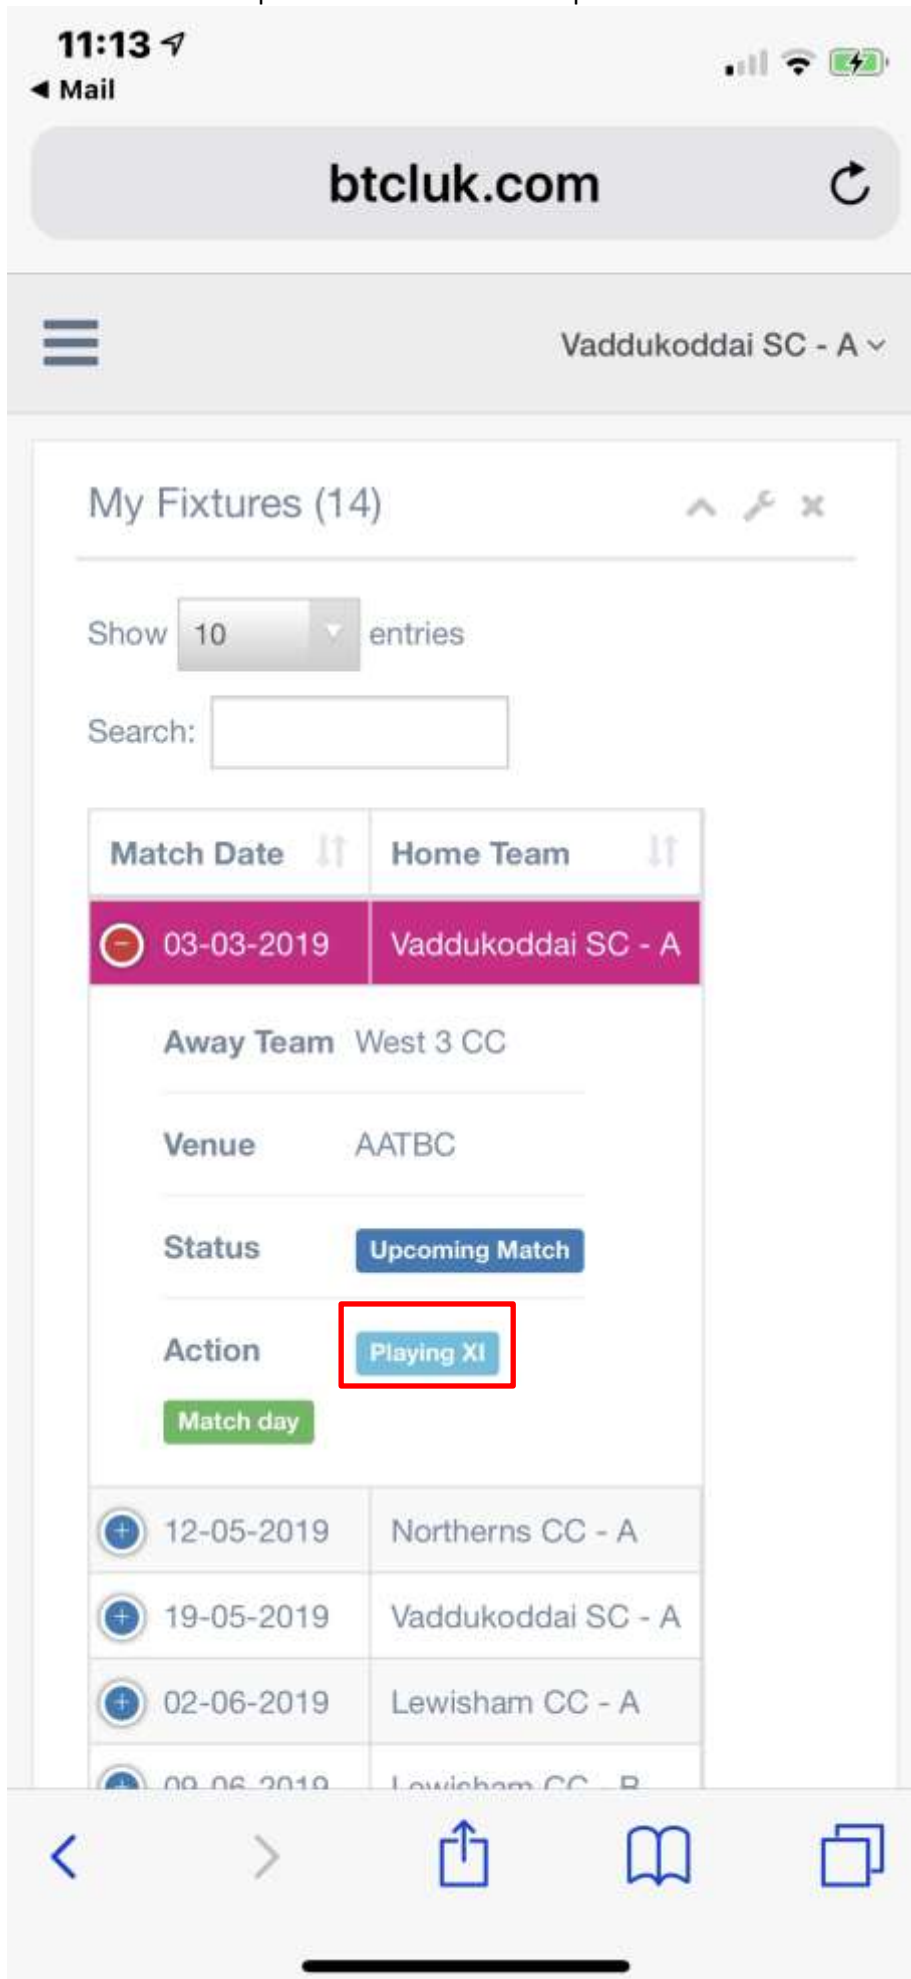

1. Log into <http://www.btcluk.com/team/portal/login.php>
2. Login with the team login-id and password. If you have forgotten the password, use the “Forgot password” option to recover the password

3. The match for the day will be shown in pink colour as shown below. Click on the “+” to expand.

4. Click on the "+" to expand the match. When expanded the below screen will be shown.

5. Choose the 11 players by clicking the “Plying XI” and choosing from the drop-down list. You will notice the “Playing XI” field will 11 items once you have chosen 11 players. Click “Update” once done.
